please be my girlfriend.
Morinaga Rin-san,
I could hardly believe it...
A love confession from Masumi Tsukasa-kun, the boy I have a crush on...
He's kind and handsome... Great at school and sports... The perfect student...
And of course, he's also popular with all the girls
I thought he only saw me as a classmate...

"Yes..."
That was all I could say...
I was too nervous to say anything else...
Since then, a week has passed...
Morinaga!
Sorry I was asleep. I'm always really tired after club activities
You called me on my cell phone last night, right?
I checked my call log
Oh, don't worry about it. It wasn't a big deal...

I just wanted to hear your voice...
^^^^^
I want to hear your voice before I fall asleep.
Oh... Then, I'll be sure to call you tonight.
Huh? You don't have to...
Hasumi-kun...
This nice and wonderful person can't really be my boyfriend...
This is too good to be true.

I had to stay at school late today..
It's really dark here...
I'm scared
Is it okay..
...to be this happy?

No....
Ittsumi-kun wouldn't do that with another girl...
Yeah. It must've been someone else.
Hey.

You forgot this.
Too bad you saw that.

No!
What are you doing?!
It's not like you, Hasumi-kun!!
Pfft
Sorry, but...
I'M NOT Tsukasa.
Though, we do share the same body.
?!

Tsukasa has no idea what goes on.
He isn't even aware of my presence.
So, don't hate Tsukasa...
It's only me who fools around with other girls.
?!
He's not the one doing this to you.
No!!
...and all I can think about is sex.
My primitive desires become overpowering...
Have you heard the saying that a full moon can make a person go crazy?
I don't know why, but...
a full moon awakens something within me.
But...
I don't believe it...
Your personality changes because of a full moon?!

You're not Hasumi-kun.
You might share the same body...

Give me back the nice Hasumi-kun!!
I don't want to believe him
But
...
All right, you boring girl!
What a turnoff

chirp
I'm leaving.
He didn't call me even though he promised...
I guess he went to find another girl after what happened...
Morinaga!
Fine.
I'll find someone else to make out with.
You've got to be kidding!!

Hasumi-kun?!
THUMP
Sorry!
Huh?
It's the usual Hasumi-kun...?
I wanted to make sure to apologize as soon as possible—
It was already morning by the time I remembered.
I said I would call you, but..

I guess it was just a bad dream...

Morinaga...
Hasumi-kun?!
Did he wait for me in this cold weather?
...
It's cold out here.
You could've gotten sick.

He'll be okay, but he needs some rest.
It's just anemia and lack of sleep...
Thank you.
This room will remain open, so he can sleep here until evening.
It looks like he hasn't been sleeping well.
He has a lot of hickeys on his body, too...
You might be young, but don't be a pervert.
SHUT
Lack of sleep... Hickeys.
GRAB
So, it wasn't a dream after all.
It's that guy's fault.
The other Hasumi-kun...

Hasumi-kun!
Are you awake?
Hmm...
Hasumi-kun's body is getting weaker because he keeps playing around...
Sorry,
Tsukasa's still sleeping.

It's him..!
Hey...
Get out of Hasumi-kun's body!
Don't be difficult.
Z!

Tsukasa and I are one and the same...
What?!
No.
What are you doing?!
Why do you keep rejecting me?
Tsukasa and I share the same face that you love so much.

AHA...!
You're the one I love the most, Hasumi-kun.
I love you...
Sorry...

I can't believe that I liked the other Hasumi-kun for even a moment.
...
Hey,
we have tomorrow off, so do you want to go somewhere?
It'll be our first date.
What do you think?
I think that's great!

I'm so happy
Masumi-kun is back to normal!
It's the Masumi-kun I love!

I love you...
... My first kiss
I love you, Morinaga...
A tender voice,
a gentle kiss
Hasumi-kun,
I love you, too.

Hmm...
You were so quick to reject me ...
...yet you gave in to Tsukasa so easily.
A full moon tonight.
Don't tell me you didn't notice...
...it was me today.
I'm pretty good at pretending to be Tsukasa.
And, you know, a full moon is the best time for me to come out.

That was too mean!
...
You're the one who's mean!!
What ?!
It's always "Hasumi-kun this" and "Hasumi-kun that".
Every-thing that comes out of your mouth is about him!
It pisses me off!
....
What?!
...
You tricked me..?
That was my first kiss!
You even lied and said that you loved me... How could you?!

I love the same girl Tsukasa loves.
I hate this!
What?
Making out with other girls doesn't satisfy me at all!
We share the same soul.
...but we're not completely separate people...
Tsukasa and I might have different personalities...

But...
This is too sudden...
I don't know what to do...!
Hey, don't cry, stupid!
What...?
It has to be you!
For some reason, I want you.

Fine, I'll return Tsukasa to you for now...
But...
Prepare yourself for the next full moon.

SLAP
Ah... Morinaga...
What are we doing here?
...
Morinaga?
Are you all right?
I'm fine
I can't let him see
No.
My heart's still racing.
What should I do?
...

...
No!
Ah...
I can't...
THUMP
Sorry, I...
THUMP
I can't kiss him when I'm feeling so confused...

What?
So, you can kiss him, but not me?
Even though I love Hasumi-kun,
I'm also attracted to his other personality.
I... remember some of it...
I've always tried to convince myself that I was just dreaming...
I didn't want to accept that other part of me.

But that guy is definitely me!
I must've created him from my own subconscious desires...
Morinaga-san...
I love you so much and want to take care of you, but...
I also want to have sex with you...
...and make you fall for me!

I do love you!
Hasumi-kun?!
I love both the normal Hasumi-kun and the other Hasumi-kun.
But, I love the Hasumi-kun who's standing in front of me telling me his true feelings the most!
It's the truth!
You—
Is it true?

〈BEWARE THE FULL MOON/THE END〉
FIRST APPEARED IN *SHOJOU COMIC* SPECIAL ISSUE 2002-12-15
BROUGHT TO YOU BY CONDENSATION/"CHU"

●Beware the Full Moon❤

That was my first time drawing sexy love scenes. I was so embarrassed that I gave myself a fever (true story).

This is an unusual story for me. I worked on it for about two months after my debut. During that time, I was really struggling because my stories kept getting rejected for having "weak male characters." So I thought to myself, "Fine! I'm going to create a strong, forceful selfish character that will make even my editor swoon!" Thus, Hasumi was born with that thought in mind. He wasn't like the usual characters that I create, so at first I was kind of embarrassed about the story, but it eventually became enjoyable to write. It was my first time drawing sexy loves scenes, but it gave me the courage to be bolder. (LOL)

To my surprise, many fans have told me that it's their favorite story. (I guess a lot of people like forceful men...?)

I also got a letter like this which shocked me...

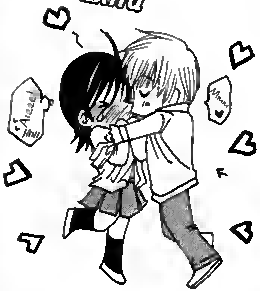
● Girl's Revolution ●

I worked on this story before my debut. (It's the oldest story in this comic and I'm embarrassed about it.) It was my first experience working with an editor, so it was very memorable for me. At the time, I was really busy working and writing.

← My friend Yuka-chan came and stayed with me to help, but she got sick the next day. This story is a tribute to her sacrifice.

Full Moon Extra

Girl's Revolution Extra



Rin has been struggling during every full moon since this story was written (LOL). (But they haven't done it yet 'cause she's not ready.)

← Hair

I like girls with short haircuts. I'd love to draw one again.
